

CONFERENCE -TRAVEL REQUEST FORM

Yale Science & QR will provide eligible students up to \$2,000 in conference - travel costs per academic year to present research data (from research conducted at Yale with a Yale PI/lab) at one national or international science conference. Students must apply for travel funds and or scholarships offered through the conference organization. *Documentation required.* If the total cost exceeds \$2,000, students must secure additional financial support from their PI.

The Request form must be completed **3 months** prior to the conference date - submit to donalee.slater@yale.edu. *Funds will not be awarded for travel that has already occurred.*

Item	Data
Travel Year - Program(STARS, Hahn, RSS)
